

## Foot Traffic Flat Shuttle Details:

### ARRIVAL ON THE ISLAND:

1. First buses leave at 5am from Silver Cloud Inn getting to the start at approximately 5:40.
2. Second group of buses leaves from 5:30 to 5:45am getting to the island between 6:15 and 6:25.
3. Buses leave as they fill, so there will be a constant flow of buses leaving NW Portland out to the island.

### DEPARTURE FROM THE ISLAND:

1. First bus(es) leave when they are filled. Usually around 9:45. When you are ready to leave, you will see the buses lined up. Just jump on!
2. Subsequent buses leave on a rolling start as they fill.
3. Final bus departure at 12pm for the final departure back to NW Portland.\*  
\*Note: If you don't think you will finish before 12pm, please don't purchase a shuttle ticket. The shuttle buses are meant to alleviate traffic pressures on the island and provide convenience at a low cost for those that do not have a vehicle, are from out of town, or those just looking to minimize their footprint on the environment. With this said, given the infrequency of finishers after about 11:45am, we have to send the shuttles back to avoid shuttling 2-3 people back at a time with a 56 passenger bus! **HOWEVER**, if you plan on finishing before the final shuttle departure, but are still a little worried that something could happen during the race causing you to finish much later than you originally anticipated, **DON'T WORRY!** We have vehicles heading back from 12pm-2pm that will get you back to town!
